CHEBROLU HANUMAIAH
INSTITUTE OF PHARMACEUTICAL SCIENCES
(Sponsored by Nagarjuna Education Society)
An ISO 9001:2015 Certified Institute
ABOUT NES
It was in the year 1967, a group of Philanthropic People, Senior Doctors, Peoples Representatives and well meaning Citizens of Guntur have realized the Inadequacy of general and professional educational facilities in Guntur and reacted positively for the establishment of several such institutions under the umbrella of Nagarjuna Education Society. Nagarjuna Education Society (NES) with a vision of promoting education, literature and the culture of the region has established eight reputed Institutions from school education level to professional education. The will and preservance of the founding fathers for over the last forty years has made the city of Guntur an educational destination of Andhra Pradesh. NES, today is the leader and mentor for numerous other educational societies that subsequently came into existence. Sri Jagarlamudi Chandramouli, Dr. Kasaraneni Sadasiva Rao, Dr.Kondabolu Basavapurnaiah, Dr. Maddineni Gopalkrishna, Vidwan Sri Gogineni Kanakaiah, Sri Chebrolu Hanumaiah and Sri Rayapati Sambasiva Rao are a few popular names that are associated with Nagarjuna Education Society for their unfathomable contribution and commitment which drives the constituent institutions, a land mark for educational excellency.

ABOUT CHIPS
Nagarjuna Education Society (NES), during the year 2005 had come up with a vision to establish an another professional course in the field of Pharmaceutical Sciences and came into being, with the name and style Chebrolu Hanumaiah Institute of Pharmaceutical Sciences, popularly known as “CHIPS”, located at Chowdavaram, besides its sister concern institute R.V.R. & J.C. College of Engineering on the same premises. CHIPS, thus inherited the legacy of NES and had grown as one of the best Pharmaceutical Institutions in India by providing exceptional infrastructural facilities and human resources, which are ahead than the requirements stipulated by various statutory bodies. Today, it offers several UG & PG Courses in the field of Pharmaceutical Sciences like B.Pharmacy, Pharm.D & M.Pharmacy with several specializations. Discipline, quality teaching and eminent administration are traditional strengths of NES and thus CHIPS acclaimed by securing excellent results and bagging several top ranks.

VISION
To nourish young pharma aspirants with innovative and creative capabilities who can play a vital role in the field of Pharmaceutical Sciences, We are earnestly pursuing our motto “FROM CONCEPT TO CREATION” with greater efforts and dedication.

MISSION
To nurture the expertise of every student by including the CONCEPTS of Pharmacy along with the Ethics of Education and to furnish all the necessary Infrastructure & Equipment that ensures the CREATION of Competent Pharmacists & Novel Pharmaceuticals.
