Sanitization of Campus following COVID Protocols

- Every Student should wear a protective double layer mask always.
- Thermal Scanning and Sanitization will be done at the college gate itself. Everyone should get screened and sanitized before entering the campus.
- Sanitizers are provided in the college and students should also carry a small pocket hand sanitizer and continuously sanitize your hands.
- No student is allowed to exchange anything with fellow students particularly food and water.
- Always maintain Six feet distance with each other inside the college premises.
- Students are not allowed to stand in groups for any purpose.
- Group studies are not allowed in the college premises.
- Students should carry their own water bottles and lunch packs.
- While in the college, students are strictly advised to follow line system.
